*Business Offers Organic Sleep Products; Innovative “Couples” Mattress***

Palm Desert, CA (April 17, 2009) – Heather Sharp, President of Sharp Commercial, Inc. in Palm Desert, is pleased to announce the addition of Adjustable Bed Mart to the Palms to Pines West shopping center, located at the corner of El Paseo Drive and Highway 111 in Palm Desert.

“We are pleased to have this business come on board at such a premiere location,” says Sharp. “This is a heavily-traveled corridor in the valley, with more than 54,000 vehicles passing through this area each day. We feel Palms to Pines West provides the visibility necessary to generate a strong and loyal customer base that will help our tenants thrive.”

Adjustable Bed Mart offers the largest selection of top quality adjustable beds and mattresses at affordable prices. The company also sells an organic line of chemical-free mattresses made with all natural, renewable materials, and recently introduced the “Comfort for Couples Bed,” perfect for the couple that want to have independent head and/or foot adjustment.

Owners Jeff and Malka Alley have a combined 50 years of experience in the industry, and are moving their business from its original location on East Palm Canyon Drive in Cathedral City.

“We love the new location, and this is by far our prettiest store ever,” says Malka Alley. “We really love the other tenants they’ve selected for this shopping center, so my husband and I are quite happy here. Best of all, we’re getting positive feedback from our customers, who seem to like it too.”
